2010 Agency Membership Form

Available to any organization licensed in Wisconsin to provide direct home health goods or services in Wisconsin. Agency membership dues are 0.367% of annual agency total home health net revenue (net revenue = total agency revenue on page of 5 of your most current state licensure line B6) with a minimum of \$500 and a maximum of \$5,000. Submit a copy of your most current Medicare cost report, tax form 990, relevant page(s) of an audited financial statement or other verifying document. Calculate dues using the stated formula.

Please Check One:

- home health agency
- hospice agency
- home supportive services agency
- home medical equipment

New this Year!!

We are offering renewing members a 20% discount off your WHO dues if you are also current members of NAHC, and a 50% to new WHO members if you are current NAHC members.

WHO endeavors to make positive differences in the lives of Wisconsin's providers of home care and the growing number of families that depend on them, primarily through education and advocacy. WHO will help providers achieve their highest potentials, and help families receive high quality compassionate care, by providing leadership and training, building cooperation and awareness, and championing the causes of appropriate accessibility and regulation.
